

At Kitchener-Waterloo Oktoberfest, our first priority is the safety and well-being of our volunteers, community and corporate partners, and staff. As a result, following the direction from Public Health, day-to-day operations of K-W Oktoberfest will continue on a very limited basis with staff available by email only. As of Monday March 16th, the office will be closed to unscheduled visitors.

If there is an urgent matter that requires attention please email info@oktoberfest.ca

As an organization we are practising the standards and protocols of Public Health and encourage everyone to protect their health and safety and that of others by:

- Staying home if feeling unwell
- Self-isolating at home for 14 days upon your return from any international travel
- Washing your hands with warm water and soap for 20 seconds
- Avoiding close contact with those who are sick
- Cleaning and disinfecting high touch surfaces regularly
- Sneezing and coughing into your sleeve
- Avoid touching your eyes, nose, and mouth
- Avoid shaking hands

Please note that these measures are subject to change as we are receiving new information and updates daily. To keep up to date on COVID-19 Coronavirus, there are many community resources available to you, including the Region of Waterloo Public Health and Government of Ontario.

Please take good care of yourselves and be mindful of those around you, for their health and wellbeing.

Alfred Lowrick
Executive Director
Kitchener-Waterloo Oktoberfest
