for the family

PUMPKIN FINGER PUPPETS

Sponsored by:

Pumpkin Finger Puppets

Materials:

- Construction Paper
- Stapler
- Glue Stick
- Scissors

Directions

1. Cut out a strip of orange paper (2.5"-3" width) and draw a line dividing the paper into 2:3 ratio. Draw vertical lines approx. 0.5" apart as shown below.
2. Cut along the vertical lines.
3. Staple or glue the vertical cutouts to the opposite end of the paper strip as shown below.
4. Cut the required paper strip to make a circular shape for pumpkin as shown below.
5. Cut out eyes, mouth from black paper and stem from green paper.
6. Glue eyes, mouth, and stem to the pumpkins.

And these cute little pumpkins are ready for your little kinder to play with!
