PUMPKIN TURKEY CRAFT

Sponsored by:

Pumpkin Turkey Craft

Materials

- A small pumpkin (foam pumpkins can be used for this so that they will last longer)
- brown and yellow foamy
- red felt
- fall leaves
- googly eyes
- glue gun and glue sticks

Directions

- Cut the head and the feet from the brown foamy.
- Cut the beak from the yellow foamy and the put on the head along with the googly eyes.
- Glue the back of the head to the stem of the pumpkin.
- Glue the feet to the front of the pumpkin.
- Glue the 3 or 4 leaves in the back of the pumpkin to make the tail.
