

The 'Musi' is always playing at Kitchener-Waterloo Oktoberfest!

Classic German cuisine and overflowing pints aren't quite enough - it's the live entertainment in the beer tents that's a sure way to get the Oktoberfest crowds in the mood to celebrate.

From traditional Bavarian music and dancing and live oompah bands, to pop and rock covers and DJs, these bands know how to ramp up the party atmosphere playing classic favourites and current hits.

Kitchener-Waterloo Oktoberfest features the best local bands and regional entertainers that will have you swaying to the beat, singing along, and dancing on beer benches!
